

WARRANTY CHECKLIST

SYSTEM WARRANTY

To ensure timely processing of System Warranties, the appropriate warranty related forms must be completed and submitted together. They are as follows:

- Inland Project Profile
- Inland System Warranty (5 or 10 year)
- Warranty Certification Statement
- Roof System Warranty Fees form
- Attachment 'A' (if necessary)

Note: For all residential and/or projects under 100 squares, the Attachment 'A' form must be submitted to Inland for approval prior to any product applications.

PRODUCT WARRANTY

To ensure timely processing of Product Warranties, the appropriate warranty related forms must be completed and submitted together. They are as follows:

- Inland Project Profile
- Inland Product Warranty (5 or 10 year)
- Attachment 'A' (if necessary)

Note: For all residential and/or projects under 100 squares, the Attachment 'A' form must be submitted to Inland for approval prior to any product applications.
